Putting and Green Reading Basics Class

Stadium Golf Center
Sunday, January 22nd
10:00am - 11:30am

Learn the skills and information necessary to start making more putts. This comprehensive class is for golfers of all levels and will give you the tools you need to have more confidence when you are putting. You will learn how and why a ball breaks and never guess again at the break direction. In this 1.5 hour putting and green reading basics class, you will learn:

- How to practice starting your putts on line
- How to practice speed and distance control
 - Why capture width is important
- Anchor points and why they are important
 - Basic green shapes
- Inflection points and how they affect break
- How to estimate green speed and slope
 - How to determine break direction
 - Green reading decision process

1.5 Hour Session \$150 Per Person
